

## Massachusetts Perinatal Quality Collaborative

### MA Perinatal Quality Collaborative Advisory Committee Agenda May 20<sup>th</sup>, 3.30-4.15 pm Massachusetts Medical Society, Waltham

#### May Summit Debrief and Comments:

- Final count of attendees and institutions represented (by region and job title)
- What went well?
- What didn't go well?
- What will we do differently next time?

#### Linking to Birth Certificate to Pay for Performance:

- Summary of conversation with MassHealth: Feasibility and next steps
- Suggestions from the group for specific fields to link to P4P.

#### Next Steps:

- Regional subgroups – possibility of quarterly meetings or calls
- Volunteers needed for Hemorrhage Project and Progesterone project
- Discussion on developing a strategy to acquire funding for sustainability – interested individuals encouraged to form a subcommittee.

#### November Summit

- Suggested Keynote: Dr. Jeff Gould, Director of the California Maternal Quality Care Collaborative
- Focus on Prematurity prevention effort in the State – Prematurity Awareness Month & March of Dimes support
- Progesterone
- Project updates: Maternal Hemorrhage and Perinatal Outcomes data Pilot Project
