

Massachusetts Perinatal Quality Collaborative

**MA Perinatal Quality Collaborative
Advisory Committee Agenda
October 2nd, 2013, 1-2pm
Conference Call.800.411.7650 Participant Code-139774#**

39 Week Initiative:

- Review of 2013 Leapfrog data that will be reported out during the November Summit and discussion of how it impacts our work.
- Define next steps for assisting hospitals with high rate of early elective deliveries

November Summit:

- Review of final summit agenda and reminder to register
- Group to discuss what questions the collaborative would like to ask Dr. Garite
- Discussion of target outreach and invitations to key stakeholders and partners that we would like to attend

Prematurity Prevention:

- New data from the National Center for Health Statistics and the 6 year decline
- Group input on Prematurity Sub-committee goals and agenda for upcoming meeting

Obstetrical Outcomes Data Pilot:

- Update on project, successes and challenges to date
- Overview of presentation content for the November Summit and next steps for data collection

Funding Opportunities

- Discussion of current opportunities, possible membership fees and next steps
- Request for volunteer grant writers.

**Next Meeting: Wednesday, November 13th at 3.45-4.30pm
Massachusetts Medical Society, Waltham
(Please stay after the Summit).**
