

MPQC 2016: Future Project Directions

Mark J. Manning, DO

Vice Chair – MPQC

October 21, 2015

Something Old

- CDC Grant on Morbidity
- Maternal Hypertensive Crisis Protocol Dissemination
- Based off ACOG on other State PQC work
- Leads: Bonnie and Mark

Something New

- New for our work – but not really new
- Prematurity Group
- Look to see how hospitals and certain provider groups can standardize around progesterone therapy and cervical screening
- Lead: Audra Meadows MD

Something Borrowed

- Maternal Opioid Use/Abuse
- Outreach to Hospitals to help develop protocols and procedures
- Lead: Ron Iverson MD

Something Blue

- State Obstetrical Data Systems Development
- Partnering with DHP, State Leaders, Hospital Association, MAACOG, MA AWOHN and others
- Leads: Fifi Diop, Glen Markenson, Mark Manning, Bonnie Glass
